Publication	Headline	Journalist	Topic
<i>Forward</i> (NYC)	<u>How Israeli Society Has Changed Since The Six-Day War</u>	YOHANAN PLESNER	Six Day War

<p><i>Tablet</i></p>	<p><u>Unsettled</u></p> <p>On the 50th anniversary of the start of the Six-Day War, pondering the myth-making stories that define Judaism</p> <p>"...For the Jewish people, the Six-Day War entailed a trade of mythology for security—well, that is a choice most Jews who live in and care about the State of Israel would happily make over and over again. This point is lost on many anti-occupation activists: The moral challenges brought about by the war and the resulting occupation, which can be summarized under the heading of bartering the morality of 'power as means of survival' for 'power as a moral crucible,' are very arguably worth their cost. Those who remember the physical insecurity of the pre-'67 borders largely accept the moral insecurity of the post-'67 realities as easier to tolerate..."</p>	<p>YEHUDA KURTZER</p>	<p>Six Day War</p>

- The Israel Foreign Media Survey scours the internet (Sunday thru Thursday) for pertinent news articles and editorials affecting Israel appearing in the world's major English edition newspapers and web sites for the particular day(s) stated.
- The survey attempts to present only original source articles, occasionally resorting to reprints in special cases.
 - Stories by wire agencies and major newspapers (ex: AP, Reuters, NY Times etc.) often are licensed or sold to smaller market media agencies, and appear in the survey ONLY in their original
